## Our School Is Hosting a Recipe Raise Fundraiser!

### **What Is Recipe Raise?**

Recipe Raise is a community recipe contest and cookbook fundraiser that brings communities together to raise money by sharing treasured recipes.

### **How It Works**

Step 1: Follow the link to enter your favorite recipes into the contest. Add the team name for your child's class (example: Mrs. Smith's Class) in the team name field.

Step 2: Share your recipes with family and friends, encourage them to like your recipes.

Step 3: Purchase your copy of the e-cookbook and digital recipe collection. Invite friends & family to support the school by purchasing a copy too!

Our school earns money from every recipe submitted and cookbook sold.

Cookbooks are delivered digitally — perfect for phones, tablets, or printing at home.
